July 1, 1926.

Mrs. John Howard Collier,
Florence, Texas.

Dear Cousin:

Enclosed find blank genealogy of your family which kindly have filled out and hurry back to me with all possible speed. As you know, I am getting up a complete history of the Collier family from the fourteenth century a portion of which I sent you.

Inasmuch as this kind of work almost runs a man crazy it is quite necessary that I do it hurridly and get through with it. I have been at work on this proposition now about four years at a cost of more than $3,000. It is the interest I have in my family connections as the reason why I want to let them know who they are, where they came from and how their various family connections have prospered and made an honest living.

Hurridly and with sincere regards.

Sincerely,

J. C. Collier.

Encl. Blank.
